

Journey Kids (Birth - 5th grade)

At the Journey, we value your children!

We have special Sunday morning programming planned just for them as well as family events that promote relationship building and are just plain FUN! We call our kids programming: Journey Kids. We want Journey Kids to be a place where children experience life-change through nurturing relationships; with healthy and loving families, with ministry partners that model Christ's love, and with peers that love each other no matter their differences.

Sunday mornings we have four classes for children during our second service.

- Crawlers/Walkers (Infant through 2; nursery)
- Hikers (Preschool; Ages 3 - 5)
- Climbers (Kindergarten through 2nd grade)
- Mountaineers (Grades 3 - 5)

The Crawlers and Walkers and the Hikers are invited to head directly to their classroom prior to the service. The Climbers go directly to their classroom during the 10:45 service for Sunday school. All children are welcome in the service at any time. We intentionally have the kids in the service from time to time and include them with singing, reading, ushering, and praying.
