

Journey Youth (6th - 12th Grades)

At The Journey, we consider it an honor to work with students of all ages. We offer programs and leadership opportunities for students of all ages. We believe strongly in a partnership with parents, working together to build up and nurture a strong faith in students.

While we offer age specific programming for students, we also strongly believe in incorporating students into the larger body of The Journey. For that reason, we encourage families to participate in the Sunday worship service together and in our various church-wide gatherings.

Currently, we offer weekly a Wednesday Night Youth Group at The Journey from 7:00-8:30 PM. Youth group programming is for all students in the 6th-12th Grades. In addition, monthly activities are offered for students. For more information on youth activities, please contact Keith McEntire at 880-1017.
